

## Company Mission at BioEnergy Italy Fair in the agro-energy sector 25-27 October 2017– Cremona, Italy

**BioEnergy** is the only specialised exhibition for agro-energies in Italy with a special focus on circular economy. **BioEnergy** will take place within Cremona International Livestock Exhibition, the only agro-livestock trade show in Italy and one of the most influential in the world, attracting in Cremona all the major players of the sector: breeders, farmers, technicians, researchers and institutions.

Cremona is the capital city of the major European agro-livestock system with:

- 44% of Italian milk production
- 80% of Italian pig meat production
- 16% of the national total income within the agrofood industry

**Cremona is also the province with the highest number of biogas plants (about 150) in Lombardy, the region with the Italian record (about 400 plants).**

On the occasion of **BioEnergy** Finlombarda S.p.A. organizes a Company Mission in collaboration with Enterprise Europe Network partners.

The **Company Mission at BioEnergy** focuses on the following topics:

- **Renewable energies from agricultural sources**
- **Use of agricultural and food processing by-products**

The Company Mission will offer to foreign companies and research centers the opportunity to meet Italian exhibitors and visitors at BioEnergy, in order to start new scientific, technological and commercial collaborations. Direct visits to installed plants and companies / institutions premises will be proposed to foreign visitors in order to present in detail skills and technology systems in Lombardy region.

**Participation is free of charge.**

To participate in the **Company Mission at BioEnergy**, it's necessary to fill in the Registration Form and send it by e-mail to: [simpler2@finlombarda.it](mailto:simpler2@finlombarda.it).
